

EDITOR PRODUCER

San Diego FC is the newest member of the MLS family. A joint venture that is part of the unique [Right to Dream model](#) and the [Sycuan](#) Tribe's deep roots, we are proud to be building a San Diego-centric soccer organization that honors our history and celebrates emerging excellence.

POSITION:

We're looking for a technically skilled, professional editor who is also a creative storyteller at heart and is always seeking innovative new approaches to post-production. The primary function of this role involves original content creation through video editing for San Diego FC's official channels and platforms. Content creation in this role includes but is not limited to social content, documentary-style features on the club and players, highlight reels, player interviews, some filming and editing at games both home and away, videos in support of club marketing campaigns and videos in support of corporate partnership activation. The ideal candidate has experience editing and producing a wide array of long form, short form, and promotional content for major sports and/or entertainment brands, across various media platforms.

RESPONSIBILITIES

- Produce and edit a variety of San Diego FC storylines and effectively communicate them to our audience
- Manage the story telling behind each creative output to ensure it is clear, concise, and tailored to a digital audience
- Edit long-form and short-form content for digital platforms with the potential for linear distribution
- Create compelling content as assigned, while also working on spur of the moment projects
- Work independently on some projects and collaborate with teammates on other projects
- Develop new and unique content initiatives through video editing
- Conceptualize and create story-focused video edits for distribution on official SDFC social platforms

- Work at the direction of the Senior Producer to apply editorial notes to revise video assets
- Collaborate with members of the Content & Creative team on ideation and execution of projects
- Manage media intake and edit select highlights and creative pieces on matchdays in addition to providing support to the production team as needed
- Work in organized fashion, committed to continually maintaining established workflows
- Commit to ongoing need for asset organization and management of media library
- Stay up to date on the latest trends, best practices, and innovations in the creative field to apply them to the SDFC brand
- Other tasks, projects, and responsibilities as assigned. On-site production support when needed.

QUALIFICATIONS

Candidates can meet the qualifications for this role with a combination of education, experience and skills.

- 3+ years of experience working in video editing role, preferably in sports
- Portfolio of work that demonstrates creativity, originality, and technical excellence
- Expert knowledge of Adobe Premiere Pro, After Effects and DaVinci Resolve
- Proficiency with the wider Adobe Creative Suite
- Proficiency in audio mixing/mastering and color correction/grading
- Experience in digital / social editing as well as more traditional channels
- Must be able to take complex stories and concisely tell them to our fans
- Ability to piece together stories in post-production
- Knowledge of media management solutions to grow, maintain, and organize SDFC's ever growing media library
- Knowledge of cine cameras is a plus
- Sports experience is a plus
- Passion for editing and great attention to detail and strong organization skills
- Ability to work productively and multi-task in a fast-paced environment under tight deadlines
- Team player with strong communication and collaboration skills
- Availability to work flexible hours, including evenings, weekends, and holidays
